Nissan Forklift

Nissan Forklift Training Saskatoon - Nissan prides itself on reaching complete consumer fulfillment when their customer is enjoying one of their countless trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to offering high value and meticulous quality values to their customers. Incorporating a rich heritage combined with strong manufacturing principals, Nissan lift trucks provide a few of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to offering customer support, the business has four distinct manufacturing facilities that allow them to constantly adapt to their customers continually evolving wishes by providing an assortment of progressive ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, manufacture, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental accountability by using systems and processes that reduce their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their clients demand while being an environmentally aware corporation.

Nissan is fairly confident that any of their consumers inquiries and customer concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized dealers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
