## Genie Forklift

Genie Forklift Training Saskatoon - Genie Industries prides itself with the belief of lifting clients and materials higher, extending beyond the products they design. A worldwide company that is completely allied to their customers and enjoys reflecting the spirit of partnership with all they achieve. Genie Industries strives to help clientele build their business no matter how large or small the level of operation may be.

The inauguration of the Genie Hoist in 1996, a pneumatic, portable material lift initiated the start of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to satisfy consumer demand. These innovative goods secured global acknowledgment and established modern product design.

Now, Genie Industries is a subsidiary of the Terex Corporation. Among their top priorities are to fabricate and maintain foremost quality production and unbending level of support and service. With customers from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured materials forklifts on the jobsite, the company is securely planted in their exceptional customer values and service. Acknowledging that their customers are their greatest inspiration, the team at Genie Industries are individually committed to offering expertise and maintaining customer rapport.

The meticulous team is constantly committed to ascertain the most green and cost-effective, environmentally responsible ways to develop the goods the consumers covet. The company's -lean production"Â• practices help reduce waste while offering the highest quality merchandise possible in the shortest timeframe at the least expensive cost to the client. The staff at Genie Industries is proud to serve the industry and this is reflected in every creation they produce. Always welcoming consumer input allows them to design and develop innovative new products that are straightforward to service and use, deliver optimum value-for-cost and satisfy worldwide standards. Thriving on customer opinion helps Genie Industries to persistently evolve and meet the consumers' requirements.

Genie's service experts are eagerly available to offer solutions to the questions you may have in order to keep you fully operational. Their expansive components network will swiftly dispatch parts to ensure their customers' equipment are operating effectively. Each product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on consumer success. They manufacture and service their products to maximize efficiency and uptime on the job. Providing on-going training opportunities, to marketing support to adaptable financing possibilities, Genie Industries provides their customers the tools to get the most out of their purchase.
